

UNION
POUR LA SCIENCE
ET LA TECHNOLOGIE
VERRIÈRES

June 15th – 18th 2020
JOINT MEETING of USTV–DGG
and June 19th NMR Glasses
satellite Workshop

The French Union for Science and Glass Technology (USTV) Annual Meeting in conjunction with the 94th Annual Meeting of the German Society of Glass Technology (DGG):
Polytech Orléans - Vinci site - University Orléans, France

After a successful first joint meeting in May 2019 in Nürnberg, the second joint meeting of USTV-DGG aims to investigate the more recent developments in glass science and technology and the performance of glass products in their various applications.

Plenary session

Invited lectures reviewing major achievements in their field of expertise by:

- Prof. Dr. Donald Bruce Dingwell Ludwig-Maximilians University of Munich (Germany)
- Research Dir. Dr. Dominique Massiot CNRS-CEMHTI Laboratory Orléans (France)

Student special program and 10 grants for German PhD or Bachelor's students

Université
franco-allemande
Deutsch-Französische
Hochschule

Special satellite workshop dedicated to 'NMR glasses' (June 19th)

Registration rates for the joint meeting

USTV or DGG member: 350 €

Non-member: 550 €

Student: 200 €

Save the date!

Ten sessions organised by technical Committees

- Session S1** High temperature properties / Hot forming / Secondary manufacturing / Link between properties and structure / Mechanics of Glass
- Session S2** Glass for optics / Fibers / Laser application on Glass
- Session S3** Glasses in healthcare / Special Glasses
- Session S4** Thermodynamics / Redox / Color / Furnace / Energy
- Session S5** Glass surface and alteration / Coatings / Heritage
- Session S6** Glass ceramics / Crystallization / Nano- and microtexturation
- Session S7** Modeling Glass / Process control / Deep learning in the Glass industry
- Session S8** Glasses for waste storage / Nuclear waste Glasses / Environment
- Session S9** Metallic Glasses
- Session S10** Chalcogenide Glasses

Abstract submission for contribution is now open through the conference homepage:
<https://ustv-dgg-2020.sciencesconf.org>

Abstract submission deadline: 31 January 2020

Program availability: 1 March 2020
